

Dear Friends,

It's been another busy period for all of us here at Cruise In. The bulbfields river cruise in April was a great success and it was lovely to see so many familiar faces. You will be pleased to see that we have managed to squeeze in another charter on the beautiful 5-Star Elegant Lady on the Rhine. For this September would you believe! This is a first for us to be able to offer a Rhine cruise at such a popular time of year and at our usual amazing river cruise prices. This really will be one not to miss! Our brand new 2014 brochure brings you a great selection of fly and non-fly options covering worldwide destinations. A personal favourite for me is Celebrity Silhouette departing 5th May 2014 to the Eastern Med, in fact, I've selected it for my honeymoon and so it must be special. More details can be found on page 5 of our 2014 brochure. Turn to page 9 of this newsletter if you are interested in a ship visit, there's plenty of choice but as always places are limited. If you're still looking to getaway in 2013, check out the P&O and Cunard offers featured later on, prices are pretty amazing for late deals. Talking of deals, don't forget to check out our website www.cruisein.co.uk for many more great 2013 European late offers!

PREPARE FOR TAKE OFF..... CRUISE IN ARE JOINING THE REAL WORLD!

The time has finally come to make some changes to our ways of communication. Soon we will be issuing as much of our paperwork electronically as we can. This means we can send you booking confirmations instantly. Let you know updates to your booking. We can jog your memory when payments are due. Send your cruise tickets direct to your inbox. The list goes on. And of course it's all at the push of a button. You can read lots more about it on the following page. Think of it as a positive. Our statistics show over 75% of our clients would like instant emails. If you happen to fall within the 25%, please don't panic, we are here to help. One thing that will never change is our commitment to you, our friends and clients, and to ensure we continue to provide the very highest level of personal service. One last point, we will not send price quotations by email I'm afraid. Why? Because prices can change by the minute!

IMPORTANT INFORMATION FOR OVERSEAS MAILING LIST

We will cease to send newsletters and brochures by post to those on our overseas mailing list from June. This is with the exception of our Inner Circle and Loyalty Club overseas members who will continue to receive our mailings by post. CHANGES AFOOT AT CRUISE IN

Here is a resumé of the change in our systems being developed over the coming weeks.

BOOKINGS

All Cruise In paperwork will be sent by email. New booking confirmation invoices, revised booking confirmations with updates, booking forms for completion and balance outstanding reminders.

TICKETS

The following will be forwarded by email: cruise line tickets, airline tickets, hotel vouchers, parking vouchers, and car hire vouchers. This will enable you, together with the individual booking references we supply on your booking confirmation invoice, to fill in all the relevant advanced passenger information direct with the companies involved i.e. Celebrity Cruises, Easyjet. It will also allow you to manage your own booking online enabling you to add for example, shore excursions.

NO COMPUTER, NEED HELP!

Do you struggle with computers? If so, don't worry, we are still here to help throughout your booking.

HOW CAN YOU HELP US?

- Please ensure we have current email addresses, especially when you book.
- Return your booking form immediately with full personal information every time you make a booking.
- Pay balances by debit card or by direct bank transfer. It's so easy and we always publish our account details on our paperwork. We also accept credit cards (Visa and MasterCard) but with a 1.5% surcharge.

BROCHURES AND NEWSLETTERS

We will be reducing our direct overall mailings down to approximately 3 or 4 times a year. All brochures, leaflets and newsletters are published regularly on our website including some that are never sent by mail. They can be found and downloaded under the 'free brochure' section on our website.

INNER CIRCLE LOYALTY CLUB MEMBERS

You are our very close group of friends and regular bookers who have registered 'information questionnaires' with us and will continue to receive very special offers by email and postal offers for special events, visits, parties and confidential information.

LOYALTY CLUB MEMBERS

As you are a follower of Cruise In, you will continue to receive selected postal mailings, email offers and discounts on certain cruises when you book. Should you wish to become an Inner Circle member please request a Cruise In questionnaire for completion.

EMAIL LIST

We thoroughly recommend you go online immediately and register if you are not already on our email list! You will know if you are on it already I'm sure! If not, remember these two points; make sure they don't start dropping into your spam folder, secondly, remember we don't send emails every day, every week, only when we have something exciting to tell you! So, a Cruise In email is always worth reading.

Well there you are. We are still the same people. We still care. And we believe our move forward is for everyone's benefit!

VALENTINES SPECIAL

CRUISE IN EXCLUSIVE RIVER CHARTER
PARIS ON THE SEINE

Enjoy the glamour and buzz of three nights in Paris. 4-Star MS Botticelli, one of the French CroisiEurope fleet, offers excellent facilities for your stay in Paris with superb cuisine and service.

DAY 1: PARIS

Board at 6pm on 4-Star MS Botticelli one of CroisiEurope's "floating hotels," at Quai de Grenelle in Paris, just 10 minutes from the Eiffel Tower. After dinner onboard you are free to enjoy Paris by night.

DAY 2: THE SIGHTS & ATTRACTIONS

After breakfast onboard, why not join the optional morning panoramic visit of Paris by coach with an English speaking guide. Visit the sights such as Bercy, the Francois Mitterrand National Library, Bastille, the Marais, Latin Quarter, St Germain, the Louvre, the Pyramide, Opera Garnier, Place Vendome, Concorde, the Champs Elysees, the Arc de Triomphe, the Invalides and the Trocadero. After lunch onboard enjoy the rest of the day exploring this city at your leisure. Visit the museums. Go shopping. Just take a stroll. Best of all walk the avenue des Champs Elysees. Return to MS Botticelli for dinner followed by dancing, or venture out again to enjoy the vibrant night-life of Paris! This evening we cruise at 7pm (weather permitting) through the outskirts of Paris with views of the modern skyline of La Defense and back through Le Pecq lock. Arriving back at Quai de Grenelle at 11pm.

Cruise In, on behalf of CroisiEurope, reserve the right to change the itinerary/mooring points without prior notice due to river conditions.

DAY 3: OLD MONTMARTRE WITH A PARIS BY NIGHT CRUISE

Following breakfast, an optional morning tour by coach takes us to Old Montmartre. Located in the centre of the 19th century village of Montmartre, the Basilica of Sacre-Coeur has a surprising Byzantine style. Built at the end of the 19th century, it was finally completed in 1914. The Sacre-Coeur has been a favourite subject for artists, sculptors and poets for generations. Montmartre hill (or Butte) is one of the highest points of the Capital, where there is a superb panoramic view of 50km (31 miles) around Paris. After lunch onboard, the afternoon is free. The mooring point is just ten minutes on foot from the Eiffel Tower and just a little further away are the Trocadero Gardens and the Invalides. In the evening enjoy a gala dinner onboard and a Paris by night cruise through the city (weather permitting). Paris is beautifully illuminated at night and looks particularly attractive when viewed from our vantage point on the Seine as we pass some of the most famous and romantic buildings and monuments in the whole of Europe.

DAY 4: PARIS

Buffet breakfast onboard. Disembarkation from 8am.

4-STAR MS FRANCE

Full board including drinks with meals
From £575 per person
including travel by Eurostar

4 NIGHTS 19TH - 23RD OCTOBER 2013

PARIS • LES ANDELYS • ROUEN • HONFLEUR • CAUDEBEC EN CAUX • VERNON • PARIS

Featuring music of the 20's and 30's with two of the best Parisian jazz bands and singers. The itinerary covers the length of the Seine from Paris to Honfleur - that alone is a visit not to be missed!

DAY 1 - PARIS - Embarkation from 17.00. This evening we will relax with a cocktail before dinner as we meet the crew. Our dinner will be served as we enjoy a "Paris by Night" cruise through the centre of Paris enjoying all the major sights including Notre Dame, the Grand Palais and the Eiffel Tower. Overnight at the Quai de Grenelle.

DAY 2 - PARIS - ANDELYS - ROUEN - This morning we cruise the Seine, passing through locks and two lovely towns, Conans-Sainte-Honore and Vernon. We will reach Les Andelys as we are having lunch, a point that we will drop everyone going on an optional tour to the Chateau of Martainville. For an easier life, stay onboard as our river experience continues to Rouen arriving at tea time to greet back the tour! After dinner, a chance to enjoy a walk in this beautiful town. Overnight in Rouen.

DAY 3 - ROUEN - HONFLEUR - Following breakfast, we depart for Honfleur although our times of departure and arrival are dependent on tides. Visit Honfleur on your own or book an optional tour. This is one of the most beautiful 'Artists' towns in Normandy. Tonight we will enjoy a Gala dinner and dance the night away as we cruise from Honfleur under the magnificent Pont de Normandie bridge, a wonderful modern master piece of engineering.

DAY 4 - HONFLEUR - CAUDEBEC-EN CAUX - We have a buffet breakfast this morning as we cruise, followed by an exercise session on board with our hostesses. Our cruise continues through the afternoon and we take lunch on board as we cruise. We are treated to an afternoon of "Quintette-style" entertainment (French open-air cafe) on board, which brings back memories of the "Sundays spent along the banks of the Marne" of yesteryear. We cruise through a landscape of chalky escarpments, passing steep river banks. The Seine in all her glory is just like an open air theatre. We have dinner on board.

DAY 5 - PARIS - After buffet breakfast on board, our wonderful cruise ends and we disembark around 10 am.

Optional Tours available, pre book or book on ship.

Have you considered a fabulous Alaska cruise?

Cliff and Rose rate it the best they have ever done! Well just a look at their specially selected choice in our enclosed new brochure. Alaska has always been one of our best sellers and many of our clients/friends have done one. So if you still haven't, it's a must.

Take lots of time off and extend the cruise with almighty add ons. Add nights at the start or finish of your cruise or why not really spoil yourself and travel onboard the Rocky Mountaineer Train, after all it's a long way to go and you may only do it once!

There are so many ships in Alaska in 2014 with all major cruise lines being represented including Celebrity Cruises, Oceania Cruises, Holland America, Princess, Royal Caribbean, Norwegian Cruise Line, Silverseas & Regent Seven Seas. There is a ship to suit all tastes and budgets, but the mere thought of the scenery and wildlife which is awesome means that the ship is just a bonus!

AN AZAMAZING EVENING WITH AZAMARA CLUB CRUISES

Spring saw the introduction of Azamaras new concept of an 'AzAmazing Evening'. Already destination driven they have raised the bar by providing one complimentary exclusive evening event which showcases the local culture, ancient Palaces, grand monuments or even tropical gardens. Depending on your itinerary you may get to enjoy a ballet performance in St Petersburg, a private polo match in St Tropez or a Flamenco evening in Barcelona.

Add this to the list of what is already included with Azamara i.e. complimentary alcoholic & non-alcoholic drinks (excluding premium brands), speciality coffee, gratuities, shuttles from ship to port towns if required, plus itineraries that include late or overnight stays, Azamara offers incredible value. Don't take our word for it, thank-you to Wendy Jager who experienced the very first AzAmazing evening and sent us the following:

“ On our recent Azamara Quest cruise, we were lucky to be part of the first AzAmazing Evening. We were taken by Mini buses all the way up onto the Rock of Gibraltar, wonderful views on the way and an excellent commentary by an excellent guide. St. Michael's Caves are worth going to just to see the staggering stalactites and stalagmites, in the centre is a stage surrounded by staggered seating with great views.

The Music was provided by the Royal Gibraltar Regiment Band and Corps of Drums, accompanied by the Singer Andrea Simpson, the Highland Cathedral was played by three bagpipers and ensured a rousing applause.

It was wonderful to listen to the Band in such a magical place, with the changing colour of the lights throughout the cave, the sounds exploded out to every corner, proving what an excellent auditorium it is. There

was a 20 min break half way through and we enjoyed canapes and champagne

Transport was provided back down to the Port, where the Captain and Crew were waiting on the dock side to greet us back on board with a 'Welcome Home'

An extra gesture was a Silver Jubilee Crown in a presentation case was presented to us from the Minister of Gibraltar. Just as we thought that was a brilliant evening over, we then enjoyed a superb fireworks display out on the water in the Bay. All arranged by Azamara.

It was all a truly wonderful amazing AzAmazing event. All future cruises will have the pleasure of an event such as this, making the Azamara unique in what it offers.

”
