8 WONDERFUL NIGHTS ON THE MAIN/DANUBE CANAL AND RIVER

ENJOY THIS FABULOUS ITINERARY FOLLOWING THE HISTORY OF BAVARIA, ITS ARCHITECTURE AND PICTURESQUE OLD TOWNS, CASTLES AND CHURCHES.

REGENSBURG

Regensburg was the first capital of Bavaria and for 600 years an imperial free city. It has some of the regions finest architectural heritage and in 2006 was recognised by UNESCO. The city is divided by the east flowing Danube. There are many places not to miss on your visit. Dom St Peter ranks amongst Bavaria's grandest Gothic Cathedrals. Construction dates from the late 13th Century. There are many museums that are well worth sometime - The Domschatz museum (Cathedral Treasury) the Thurn and Taxis Museum (Jewellery, porcelain and precious furnishings which belonged for many years to the wealthiest dynasty in Germany and valued at well over one billion euros) Reichstagsmuseum (imperial diet museum) plus even more.

NÜRNBERG (NUREMBERG)

Bavaria's second largest city and unofficial capital of Franconia is one of the regions biggest tourist attractions. Most major sights are within the Old Town area. Hauptmarkt is the bustling market square and features Schöner Brunnen, the guilded 'Beautiful Fountain' with tiers of figures, and 'Frauenkirche', a 14th Century Gothic Church. The city is distinguished by medieval architecture. At the northern edge of the Old Town, surrounded by red roof buildings stands Kaiserburg Castle, an absolute 'must see'. Construction began in the 12th Century and dragged on for almost 4 centuries. The humongous complex embraces surprises round every corner! The Kaiser's living quarters, The Imperial and Knight's Halls, the Sinwell Tower with 113 steps. The Amazing 48 metre deep well, Tiefer Brunnen.

BAMBERG

With a history-steeped centre, a magnificent cathedral and lots of romantic charm, its difficult not to be impressed by Bamberg. It is one of Germany's most beautiful cities. It was built by Archbishops on seven hills, earning its title of 'Franconian Rome'. The city emerged from WW2 with hardly a scratch and most of the city's finest buildings are originals with examples of architecture from the Romanesque era. Two waterways bisect the city - the main Danube canal south of the station and the Regnitz River which flows through the town centre. Much of Bamberg's appeal lies around the Old Town, to the North West are the charming half-timbered homes of Klein Venedig (Little Venice). Bamberg is also famous for its beer with 10 breweries in town and another 80 in the suburbs!

SCHWEINFURT

Schweinfurt is a city in the lower Franconia region of Bavaria on the right bank of the Main River which is spanned by several bridges.

WÜRZBURG

This scenic town straddles the Main River and is renowned for its art, architecture and delicate wines. Lavish baroque and rococo buildings feature in many places, particularly the 18th Century Residenz Palace with ornate rooms, a huge fresco by Venetian artist Tiepolo and an elaborate staircase. With masses of wine connections, Würzburg is well known for its distinctive bottles with flattened round shapes (Boeksbuehl).

WERTHEIM

Home to the stunning Wettheim Castle, this town in Southwest Germany is located on the confluence of the Main and Tauber rivers. The Old Town is a delight of medieval alleyways, half-timbered houses and small squares overlooked by 12th Century imposing castle. For shopaholics Wertheim houses a superb 110 shop outlet centre on the outskirts!!

THE LUXURIOUS 5-STAR MS ARIANA

Ariana was built in Holland and launched in the spring of 2012. She has four passenger decks, two of which have spacious cabins with en-suite facilities and french balconies. The lower deck cabins are marginally smaller with small windows but the same en-suite facilities. 5-star luxury onboard includes a panoramic restaurant,

spacious sky lounge with bar and dance floor, stern bar, library with reading area and foyer with reception and small shop. There is a lift which serves Orion and Saturn decks but not Neptune. The large sun deck has a jacuzzi, sunbeds, chairs and a collapsible 'tent' area. Ariana also has a resident hairdresser onboard.

Board at 6pm on 4-Star MS Botticelli one of CroisiEurope's "floating hotels," at Quai de Grenelle in Paris, just 10 minutes from the Eiffel Tower. After dinner onboard you are free to enjoy the Christmas buzz of Paris by night, or dance to the Cruise In Band in the lounge.

DAY 2: THE SIGHTS & ATTRACTIONS

After breakfast onboard, why not join the optional morning panoramic visit of Paris by coach with an English speaking guide. Visit the sights such as Bercy, the Francois Mitterrand National Library, Bastille, the Marais, Latin Quarter, St Germain, the Louvre, the Pyramide, Opera Garnier, Place Vendome, Concorde, the Champs Élysées, the Arc de Triomphe, the Invalides and the Trocadero. After lunch onboard enjoy the rest of the day exploring this city at your leisure. Visit the museums. Go Christmas shopping. Just take a stroll and take in the festive vibe. Walk the avenue des Champs Élysées or why not go to the biggest Christmas Market in the region with 350 stalls at La Défense. In the evening, dress the part in evening attire for our formal Cruise In dinner and Christmas party, dancing the night away to the lively music of the Cruise In Band. We will cruise at 7pm (weather permitting and subject to winter water levels) through the outskirts of Paris with views of the modern skyline of La Défense and back through Le Pecq lock, arriving back at Quai de Grenelle for 11pm.

DAY 3: OLD MONTMARTRE WITH A PARIS BY NIGHT CRUISE

Following breakfast, an optional morning tour by coach takes us to Old Montmartre. Located in the centre of the 19th century village of Montmartre, the Basilica of Sacre-Coeur has a surprising Byzantine style. Built at the end of the 19th century, it was finally completed in 1914. The Sacre-Coeur has been a favourite subject for artists, sculptors and poets for generations. Montmartre hill (or Butte) is one of the highest points of the Capital, where there is a superb panoramic view of 50km (31 miles) around Paris. After lunch onboard, the afternoon is free. The mooring point is just ten minutes on foot from the Eiffel Tower and just a little further away are the Trocadero Gardens and the Invalides. In the evening enjoy a gala dinner onboard and a Paris by night cruise through the city (weather permitting and subject to winter water levels). Paris is beautifully illuminated at night and looks particularly attractive when viewed from our vantage point on the Seine as we pass some of the most famous and romantic buildings and monuments in the whole of Europe. Dancing and entertainment with the Cruise In Band.
