

SPECIAL EVENTS IN 2024

FOR INNER CIRCLE MEMBERS

COME AND JOIN US ON ONE OF OUR SPECIAL EVENTS!

We announced on our last two river groups/charters that there was a chance we would organise small reunions and possible get togethers in 2024 for those that are either unable to cruise or would like a holiday(s) in large exclusive mansions/properties in different parts of the country. The venues would not be anything like our chateau trips with 26 people and a coach in France!

Well, despite working very hard for weeks on the idea, it's been very hard to find exactly what we want! The brief was: different areas, 5-star luxury, maximum 7 ensuite double rooms, dining room, lounges, large kitchen(s). Self-catering but with breakfasts and dinners organised between ourselves plus drinks excluding spirits. Cliff and Lorraine will be acting as host and hostess. We have found two venues both in the southwest that have space. Our hope for West Wales has sold out. Our other hope for Norfolk is also sold out. So we offer the two we have as samplers, which are in excellent areas and lovely properties.
