2 WONDERFUL DAYS IN VIENNA AND 3 DAYS IN BUDAPEST

VIENNA

More than most, Vienna is a "city of legends". Part of the adventure of going here is to see how much is true and how much is fantasy. Are the Viennese really so charming, witty and worldly? Are the palaces and churches as grand, elegant and graceful as they say? The answer is, you'll have to judge for yourself. Vienna is also known as the "city of music" as it was home to stars of classical music, like Beethoven, Mozart, Brahms and Strauss and as the "city of dreams". History here dates back to 500BC, and apart from historical figures like Metternich and a few emperors, there were the world renowned scientists Freud, Schrödinger and Mendel. Talented artists Klimt, Schiele and Hundertwasser also called Vienna their home.

BUDAPEST

The River Danube cuts through the heart of Budapest, Hungary's capital, separating the two main regions of the city. The 19th-century Chain Bridge connects the hilly Buda district with flat Pest. The Budapest Castle Hill Funicular or Budavári Sikló is a funicular railway that runs up Castle Hill to Buda's Old Town, where the Budapest History Museum traces city life from Roman times onward. Trinity Square is home to 13th-century Matthias Church and the turrets of the Fishermen's Bastion, which offer sweeping views.
