INTRODUCING YOU TO THE CHÂTEAU!

Welcome to our special find in Château Tilques Hotel, Built in 1891 on the ruins of a 17th Century Manor House, it is located 5 kms from Saint Omer. It has a modern indoor swimming pool in the grounds and tennis courts. The château houses 26 bedrooms of different styles and classes on ground floor, first and second floor. It goes without saying that there is no lift! All bedrooms have double beds only. There is a sitting room, a well stocked bar and access to the terrace looking across the park grounds. Also built in the grounds is a Pavilion with 24 luxury rooms which have experienced modernisation in March including the fitment of air condition units. The rooms are on the ground floor, many with patio doors into garden areas, whilst all rooms on the first floor have balconies overlooking different aspects.

To make everything come to life, where could we go anywhere without the services of Martin and the Cruise In Band plus Cliff and Lorraine keeping everything happening! Even more. Wim and Erik in charge of our optional tours!

TRAVEL ARRANGEMENTS

We will have everything that you would expect from a cruise that isn't! Our journey and exploration will commence from our usual point in Ashford, coaches arriving the day before at the Holiday Inn for loading of band equipment, load up of your portable garden chairs and ready for case load up the following day. To make things as interesting as always, we shall commence our journey to one of the new P&O electric ferries for the outward journey and return for speed on the Eurotunnel shuttle.

As always, we hope to have Wim, Erik and 2 lovely Contiki Coaches with us for the whole duration. Journey time from Calais to the Château is approximately 40 minutes, so we will take a couple of visits or picnic stops if we need to! Sorry forgot the word shopping! Our due time to the château is 16.00 hours.
