iNNER CIRCLE CLUB NEWSLETTER

exclusive to members of the inner circle club

November 2026 to January 2027

Dear Friends,

It gives me great pleasure to send you our latest 36-page newsletter covering 3 months to January 2027, which enables us to bring early greetings to you just like Tesco's! Watch out for cruise offers on Black Friday & Cyber Monday and keep an eye out for campaigns which cruise lines are still thinking about. It has been a very strange year especially the weather. Who could have guessed the low levels of water on the Danube followed by the middle Rhine. It brings back memories of our experience on the Rhine with low water as well as floods in Basel on Statendam in 2008!

EACH CRUISE iN EMAIL IS A MUST READ!

If you are not receiving emails from us there is a possibility that by accident you have hit the buttons 'do not contact', 'unsubscribe' or 'block'. Currently we send out to 1809 members of which an average of 41% are unopened. Our membership is approximately 2500. So please ring us if you are reading this and want to add or rejoin the email membership by calling **01264 350750**!

Please have a good read as we have highlighted some of our own holidays and cruises plus we hope we have the pleasure of seeing you in the new year at our two fabulous events, not to be missed!

Regards to you all,
Cliff, Kim and the Cruise In Crew.

TOO LATE FOR APEX 2027?

You won't believe this but Celebrity Apex from Southampton has almost sold out for most of 2027 and the remaining cabin prices have gone up by hundreds of pounds per person! This is an outstanding statement but true. The American market has probably helped to create this as it is a safe haven from Southampton. Please take a look at our article on Celebrity Beyond for roundtrip sailings from Southampton in 2028. We'd recommend securing a cabin as soon as possible, as we've generally only watched prices go up!

FREEDOM OF THE SEAS TO SAIL FROM SOUTHAMPTON IN SUMMER 2028

As we go to print, Royal Caribbean have just announced their European deployment for 2028. Freedom of the Seas will return to Southampton again with similar itineraries to 2027, please visit our website for all new cruises and call us for our most up-to-date costings.

THANK YOU TIVERTON FOR YOUR HOSPITALITY

WHAT A WONDERFUL MID-DEVON SHOW!

This was our first time out with our roadshow since 2011. A pleasant surprise at the show was the organisation and size of it for a single day out. Our thanks to Rachel from AMA Waterways for representing them on our stand. We learnt a lot about the mid Devon area and realised the support given to TUI for everything from holidays to cruises inevitably must have been 90%. Why? Everyone in the area flew from Exeter or Bristol! Anyway, we enjoyed our day out!

AMAMAZING RIVER CRUISE ON THE SEINE!

Our small group with AMA Waterways on the Seine in August was as good as it gets. We went our own way via Eurostar to Paris hence our costing was extremely competitive. Ama as always looked after us like celebrities, the food and service was exceptional. Another amazing thing is that all tours are included and there is often a choice of 3 per day. Hope you like bicycles!

Well done AMA. Thank you!

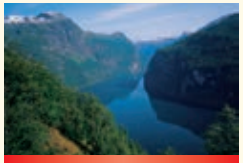

CRUISING THE NORWEGIAN FJORDS – A REAL MUST!

We have always recommended a 7 night Norwegian Fjords cruise to first timers. It's an easy no-fly option and the perfect duration for an introduction to 'what to expect' from any cruise line. It's an itinerary many regular cruisers, like myself, often repeat. The landscapes of Norway are stunning and sailing through the Fjords is unforgettable. I took some convincing years ago as I always wanted to fly to warmer destinations in the Med or long haul. In 2004, after returning from a 12 night Alaska cruise on Celebrity Mercury roundtrip from San Francisco, we arrived home and booked a Norwegian Fjords cruise straight away. We wanted to experience dramatic scenery closer to home and cruising the Fjords gives you exactly that. I've since repeated the itinerary several times! I've always said Flam and Geiranger were a highlight for me but they are visited less frequently by many cruise lines now due to a number of reasons including daily passenger limits. There are of course many other exciting ports to choose from! Always look for a 7 night cruise with four stops, we've noticed more itineraries creeping in with only three stops and as a result more sea days! Of course scenic cruising is very relaxing but it's nice to still have the opportunity to enjoy a port day. When's the best time to cruise the Fjords? We'll always recommended May and June from our own experiences. Vick also had glorious sunshine at the end of August one year. Many cruise lines are now offering sailings as early as April through to late September. With today's weather changes, who knows! The key for Norway is to pack layers and be prepared for all weathers.

We have included many 7 Night Fjords cruises for 2027 and 2028 throughout this newsletter, please refer to the page numbers below. We have highlighted many options which include four stops and are currently the best value for money. Please don't hesitate to ask for our advice as we have collectively had lots of experience cruising the Fjords (it's on Jo's wish list too!). Also, if it's coastal Norway cruises your searching for over a traditional Norwegian Fjords itinerary, we can also help!

MUSICAL SHIPS

This came as a big surprise to us!

P&O's Arcadia is going to Holland America in 2029 when she reaches 24 years old.

Cunard's Queen Anne launched in 2024 is on the move as well in 2029 namely to P&O.

Queen Anne will still play her role in the Four Queens celebration in Liverpool in May 2028 and will complete her final World Voyage as a Cunard ship winter 2028/29. After her departure, Cunard will go back to operating a three ship fleet including Queen Mary 2, Queen Victoria and Queen Elizabeth. Cunard's flagship Queen Mary 2 will undertake a major upgrade in Spring 2027.

You still have plenty of time to enjoy a cruise on Cunard's Queen Anne or P&O's Arcadia as published cruises will still operate as planned until they transfer in 2029.

A JOB WELL DONE... P&O AURORA

I was lucky to be invited for 5 nights onboard P&O Aurora. The smallest ship in P&O's fleet sailing since the year 2000. With 9 guest decks, 3 swimming pools, 7 entertainment venues plus 19 bars and restaurants, she definitely offers a comfortable and traditional cruising experience for a mid-sized ship. I was impressed by the food throughout the cruise in both the main dining room and in the speciality restaurants. My favourites were The Glass House Restaurant with the wine pairing and The Beach House for a more casual, relaxed atmosphere. Our itinerary for 5 nights included Zeebrugge and Hamburg. I enjoyed a walking tour in Bruges followed by a chocolate making experience, what's not to love about that! In Hamburg, we visited the Miniatur Wunderland which was very impressive, a must see if you ever go. I can really see why Aurora is popular with seasoned cruisers as the staff onboard create a very welcoming and friendly atmosphere. Aurora offers cruises for adult-only in addition to sailings welcoming all ages, so always double check before securing your date!

Thank you to P&O Cruises for a lovely 5 nights. ***Jo***

AN EXPERIENCE TO NEVER FORGET!
6 DAYS / 5 NIGHTS AT THE CHATEAU TILQUES

On 5 July 2026 both Lorraine and I set out on one of the new electric ferries to Calais, then a half hour drive to Tilques for our next day meeting and tour of the Chateau facilities.

It will be a wonderful 5 night experience at a time of year that we expect sunshine! It's also similar in dates to our reunion last year. Let us clarify one thing. We have heard some members say they wouldn't go because they have read negative reviews. Let us explain why. From the end of April 2026, yes this year, the Pavilion rooms have had a full renovation with air conditioning fitted throughout. So, reviews should be taken from June to July 2026. Hence our yardstick for rating of booking.com is a fabulous 8.6 (yes we do rate and report for booking.com and Airbnb).

With our two Contiki coaches and drivers Wim and Eric, the full Cruise In Band with leader Martin and so many old and new friends, you will just never forget our 'Northern France and a touch of Belgium' reunion.

2 WONDERFUL DAYS IN VIENNA AND 3 DAYS IN BUDAPEST

VIENNA

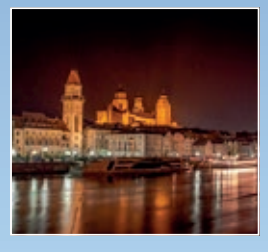

More than most, Vienna is a "city of legends". Part of the adventure of going here is to see how much is true and how much is fantasy. Are the Viennese really so charming, witty and worldly? Are the palaces and churches as grand, elegant and graceful as they say? The answer is, you'll have to judge for yourself. Vienna is also known as the "city of music" as it was home to stars of classical music, like Beethoven, Mozart, Brahms and Strauss and as the "city of dreams". History here dates back to 500BC, and apart from historical figures like Metternich and a few emperors, there were the world renowned scientists Freud, Schrödinger and Mendel. Talented artists Klimt, Schiele and Hundertwasser also called Vienna their home.

BUDAPEST

The River Danube cuts through the heart of Budapest, Hungary's capital, separating the two main regions of the city. The 19th-century Chain Bridge connects the hilly Buda district with flat Pest. The Budapest Castle Hill Funicular or Budavári Sikló is a funicular railway that runs up Castle Hill to Buda's Old Town, where the Budapest History Museum traces city life from Roman times onward. Trinity Square is home to 13th-century Matthias Church and the turrets of the Fishermen's Bastion, which offer sweeping views.
